## **Global Merchants Announces a new Business Opportunity for Ramallah Business Owners**

March 23, 2009

To all the extended Ramallah Family, AFRP Board of Directors, Local Ramallah Club Presidents, Federation Committee Chairpersons and Members, and the AFRP Executive Committee.

It gives me great pleasure to introduce a new fund raising opportunity for the American Federation of Ramallah Palestine Educational Fund. Global Merchant Services Inc. (GMSI) is owned and managed by our own Ramallah family members and has extended a program allowing us to raise needed money for our Educational Fund. I have personally met with GMSI's management team in San Francisco and reviewed this creative and potentially lucrative program and would like to recommend it to our Ramallah Business Community to consider adopting.

Through our extended friends and family referral network of businesses, GMSI is offering us a program to utilize their competitive credit card services which will outperform or match your current business services by providing you a better price. GMSI in turn will give the Educational Fund and the AFRP 25% of the gross profits resulting from this referral service.

Becoming a customer of GMSI benefits each merchant and the AFRP **with no risk to the AFRP or to you**. GMSI guarantees 100% satisfaction with the services and savings it provides allowing you termination of their service without any penalty since there is no long term contract.

Please fill out the bottom portion of this letter and fax it to GMSI to see if you qualify. This is a true win-win for you and the AFRP. Thank you in advance for your support.
