GOAL OF LEADERSHIP RAMALLAH

The goal of the Leadership Ramallah weekend was to help develop a team of Professionals that may become leaders in their community and Federation. The Leadership Ramallah Conference could also bring about positive change in the Community through informed leadership and help develop leadership skills that can be effective in business, organization or family settings.

We felt that in order to continue the legacy of the Federation, we would need to help create the next generation of potential leaders. These leaders would become advocates for our causes and in turn; help create a growing Organization.
